

Charts and Rosters with Stickers

Make a classroom chart using stickers to stand for data — add one sticker for each vote, line them up in columns, then compare and talk about what the chart shows.

Collect

Add one sticker for each child's vote.

Chart

Line the stickers up in neat columns.

Read

Compare the columns and talk about them.

A sticker chart of favourite pets.

Modelling routine

1 I do

Add a sticker for dogs and say "that is one vote".

2 We do

Build the columns together and compare their heights.

3 You do

Children read the chart and say which has the most.
