

Days, Seasons & Time

Put the days of the week and the four seasons in order, and connect them to familiar events using words like yesterday, today, tomorrow, before and after.

Days in order

Say the seven days in order, from Monday to Sunday.

Seasons cycle

Order the four seasons — they repeat every year.

Time words

Use yesterday, today, tomorrow, before and after.

Put the days in order — today is Wednesday.

The four seasons follow a cycle.

...then back to Summer — the cycle repeats every year.

Modelling routine

1 I do

Point to a weekly chart — name today, yesterday and tomorrow.

2 We do

Order the days and the seasons together on the mat.

3 You do

Children sequence the days and connect them to events.
