

A Picture Diary of the Week

Make a picture diary for the week – draw one important event for each day, then read it back to see what happens on Monday, Tuesday and every other day.

Pick the event

Choose one important thing that happens on each day.

Draw it

Add a small picture so you can read the day at a glance.

Read it back

Say what happens on each day, in order across the week.

One picture for each day – read the week across.

Modelling routine

1 I do

Draw a book on Monday and say "on Monday we have library".

2 We do

Add pictures for the next days – what matters on each one?

3 You do

Children make their own picture diary and read it aloud.
