

Number

01

In this chapter we explore Number — counting collections, reading and writing numbers, comparing how many, and putting numbers in order.

In this chapter

Count

Count a collection and say how many.

Compare

Say which group has more or fewer.

Order

Put numbers in order, to at least 20.

Big idea

Numbers tell us how many — we count, compare and order them.

Words we will use

count

how many

more

fewer

less

order
