

Your Turn: Numbers 0 to 20

Name, represent and order numbers to 20 using counters, ten-frames and numerals.

1 Count and name

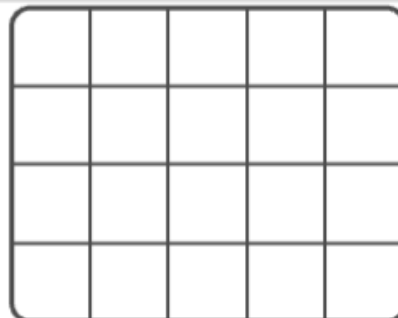

How many counters? Say the number, then write it in the box.

2 Represent the number

Fill the ten-frames with counters to show 16. Then write it as a numeral.

16 =

3 Order the numbers 0 to 20

Write these numeral cards in order from smallest to largest.

12	7	19	4	15
----	---	----	---	----

smallest

largest
