

Your Turn: First, Second, Third

Use ordinal words and positional language: find first, last, before, after and between, and name each position.

1 Colour by position

Colour the first circle, the third circle and the fifth circle.

first

second

third

fourth

fifth

2 Before, after, between

Use the number track. Write each number in the box.

9

10

11

12

13

before 12

after 10

between 10 & 12

first

last

3 Name the position

Write the ordinal word under each token. Use the word bank.

first

second

third
