

Your Turn: Partition & Combine

Subitise each part, then combine to name the whole. Break wholes into parts and write how many.

1 Combine the parts

Subitise each part. Write the whole they make in the box.

	+		=	
	+		=	
	+		=	

2 Find the missing part

The whole and one part are shown. Draw or write the other part.

8 	9 
---	--

3 Break ten apart

Ten is shown. Write two different pairs of parts that make ten.

 whole = 10	+ = 10
	+ = 10
