

Your Turn: Dice & Dominoes

Look at each standard pattern. Subitise the parts, then write the whole they make.

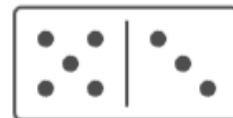

1

Name the whole

Read both parts on each domino. Write the whole in the box.

2

Two dice, one whole

Read each die, then write the whole the two dice make.

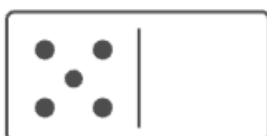

3

Draw the missing part

One part and the whole are shown. Draw the dots for the missing part.

whole = 8

part

draw it

whole = 7

part

draw it
