

Measurement

03

In this chapter we explore Measurement — comparing how long, how heavy and how much things hold, and putting events in time order.

In this chapter

Length

How long or tall.

Mass

How heavy.

Capacity

How much it holds.

Time

The order of the day.

Big idea

We compare and order things by length, mass, capacity and time.

Words we will use

long

short

heavy

light

full

empty

before

after
