

Algebra

02

In this chapter we explore Algebra – copying, continuing and creating repeating patterns, and working out what comes next.

In this chapter

Copy

Copy a pattern of shapes or colours.

Continue

Work out what comes next in a pattern.

Create

Make your own repeating pattern.

Big idea

A pattern repeats a rule we can copy, continue and create.

Words we will use

pattern

repeat

next

copy

continue

same

different
