

Make a Shape Picture

Build a picture from shapes — trace around objects, combine circles, squares and triangles, then describe which shapes you used and why you chose each one.

Trace

Trace around objects to make clean shapes.

Combine

Put shapes together to build a picture.

Describe

Say which shapes you used and why.

A picture built from simple shapes.

sun

house

tree

boat

Modelling routine

1 I do

Make a house from a square and a triangle and name the parts.

2 We do

Add a tree and a boat — which shapes did we use?

3 You do

Children make a picture and describe the shapes they chose.
