

Shapes on Country and Place

Observe shapes on Country and Place – round stones, triangle leaves and flat rocks – then recreate them and sort what you find into groups based on their shape.

Observe

Look for shapes in things outside on Country.

Recreate

Draw or build the shapes you noticed.

Sort

Group what you found by its shape.

Shapes we can observe on Country and Place.

Stone
Circle

Leaf
Triangle

Flat rock
Rectangle

Modelling routine

1 I do

Notice a round stone and say "this stone is a circle".

2 We do

Recreate a leaf and a rock, then sort by shape together.

3 You do

Children observe, recreate and sort shapes they find.
