

Numbers 0 to 5

00

In this chapter we get to know the numbers 0 to 5 – counting objects, matching numerals to how many, and putting numbers in order.

In this chapter

Count

Count small groups of objects one by one.

Match

Match each numeral to the right amount.

Order

Put the numbers 0 to 5 in order.

Big idea

Numbers tell us how many – we can count, match and order them.

Words we will use

zero

one

two

three

four

five

how many

order

count
