

Your Turn: Count and Check

Count each object once and write how many. Remember: the last number you say tells how many.

1 Count and write

Touch each object once. Write how many in the box.

2 Same amount?

Count both groups and write how many. Are they the same?

=

3 Circle the total

Count each group. Circle the last number you say.

1	2	3	4	5
1	2	3	4	5
1	2	3	4	5
