

Grouping Living Things on Country

First Nations Australians observe living things closely and group them by their features and where they live – animals of the land, the water and the air.

Observe

Notice features of living things on Country.

Group

Sort them by land, water or air.

Share

Talk about why they belong together.

Living things grouped by where they live.

land

water

air

Modelling routine

1 I do

Notice a fish and say "it lives in the water".

2 We do

Group land, water and air animals together.

3 You do

Children observe and group living things by home.
