

Communicating

We share our questions, predictions, observations and ideas with others in many ways.

In this strand

Share

We tell others what we notice and think.

Ask

We ask questions about the world around us.

Show

We show our ideas with drawings and models.

Listen

We listen to others and add our own ideas.

Big idea

We share our questions, predictions, observations and ideas with others.

Words we will use

share

ask

tell

show

question

observe

predict
