

First Nations Ways of Sharing

We acknowledge and explore how First Nations Australians share knowledge about the features of plants and animals.

Listen

Hear how knowledge is shared.

Look

Notice features of plants and animals.

Respect

Value First Nations knowledge.

Ways knowledge is shared

Story

Modelling routine

1 I do

Share a way knowledge is passed on.

2 We do

Talk about a plant or animal feature together.

3 You do

Children show a feature they learned.
