

Show How Things Move

We show and describe how objects can be moved in different ways, and answer questions about them.

Show

Move an object in a way.

Describe

Say how it moved.

Answer

Respond to questions about it.

Ways things move

Push

Pull

Roll

Spin

Modelling routine

1 I do

Model moving an object and describing it.

2 We do

Describe a movement together.

3 You do

Children show and tell a movement.
