

Talk in a Circle Group

We sit in a circle group to share questions, predictions and observations with each other.

Question

Share a question with the group.

Predict

Say what we think will happen.

Describe

Tell what we observed.

Ways we talk together

Question

Predict

Observe

Share

Modelling routine

1 I do

Model asking a question in the circle.

2 We do

Take turns to predict and describe.

3 You do

Children share in the circle group.
