

Show Our Science Our Way

We communicate our questions, predictions and observations using posters, drawings, displays and storyboards.

Plan

Choose a way to show our ideas.

Make

Create our poster or drawing.

Share

Present it to others.

Ways we show

Poster

Cut & Glue

Drawing

Story

Modelling routine

1

I do

Model making a simple poster.

2

We do

Add our observations together.

3

You do

Children make their own display.
