

Planning and Conducting

We get ready for our work, stay safe, and use our senses and tools to look closely at the world.

In this strand

Stay safe

We follow safe rules when we investigate.

Use senses

We look, listen, touch and smell to observe.

Use tools

We use tools to see and hear even more.

Record

We show what we find in many ways.

Big idea

We plan, stay safe, observe with our senses and tools, and record what we find.

Words we will use

safe

senses

observe
