

Record What We See

We record our observations in many ways: with numbers, dots, drawings, voice recordings, photos and videos.

Draw

Draw what we observe on paper.

Count

Use numbers and dots to record.

Capture

Use a voice recording, photo or video.

Modelling routine

1 I do

Model recording one observation in two ways.

2 We do

Record what we observe together as a class.

3 You do

Children record their own observation their way.
