

Investigate Safely and Observe

We show children how to work safely and use their senses to notice what they see, hear, touch and smell.

Safe

Set safe rules before we start our work.

Observe

Use eyes, ears, hands and nose to notice.

Share

Talk about what we noticed together.

Ways we observe safely

Safe

See

Hear

Touch

Modelling routine

1 I do

Model safe steps and name what I observe.

2 We do

Observe an object together and stay safe.

3 You do

Children observe safely and tell what they notice.
