

Senses and Science Tools

We look with our senses. We can also use tools like a magnifier to see tiny things.

Senses

Use eyes, ears and hands to look.

Tools

A magnifier helps us see tiny things.

Find

See what the tool helps us find.

Magnifier

Modelling routine

1 I do

Look at a leaf, then look with a magnifier.

2 We do

Say what the magnifier helps us see.

3 You do

Children use a magnifier and tell what they see.
