

Watching and Wondering

Watch a short nature film. Notice how people like scientists, engineers and nature helpers ask questions. Then ask your own.

Watch

See a short film about people looking.

Notice

Spot the questions people ask.

Wonder

Ask our own questions.

People who ask questions

Scientist

Engineer

Nature helper

You

Modelling routine

1 I do

Stop the film and ask a question I wonder.

2 We do

List the questions we heard together.

3 You do

Children ask a question of their own.
