

Questions About Objects

We can ask questions about everyday objects and what they are made of, like wood, plastic, metal or glass.

Objects

Look at everyday things around us.

Materials

Ask what each thing is made of.

Sort

Group things that feel the same.

Everyday objects we can ask about

Block

Jar

Ball

Label

Modelling routine

1 I do

Hold up a cup and ask what it is made of.

2 We do

Sort objects by what they are made of.

3 You do

Children pick an object and ask about it.
