

Questions From What We Do

Everyday things make us wonder. We can ask questions like which part of a plant broccoli is, or how high a ball will bounce.

Plants

Ask which part of a plant we eat.

Balls

Ask how high a ball will bounce.

Wonder

Turn what we notice into a question.

Things we can ask about

Plant

Ball

Food

Ask

Modelling routine

1 I do

Hold up broccoli and ask a question about it.

2 We do

Ask how high a ball can bounce, then try.

3 You do

Children ask their own question.
