

Guessing Before We Explore

Before we explore outside, we make a good guess. We can predict which plants and animals we might see in the school grounds.

Plants

Guess which plants we might see.

Animals

Guess which animals we might find.

Check

Explore and see what is really there.

What we might find outside

Plants

Animals

Trees

Water

Modelling routine

1 I do

Guess one animal we might see outside.

2 We do

Make a class list of our guesses.

3 You do

Children guess, then go and check.
