

Questioning and Predicting

Before we try something, we ask questions and make a good guess about what might happen.

In this strand

Wonder

We ask what might happen.

Guess

We make a good guess first.

Try

We try it out and watch.

Check

We see if our guess was right.

Big idea

We ask questions and make good guesses about what will happen.

Words we will use

ask

question

wonder

guess

predict

why

how

check
