Counting \$1 Coins — Practice

PRACTICE
Independent

Instructions:

Stack the \$1 coins in tens, skip count in tens and add any leftover coins. Because each coin is worth \$1, the number of coins gives the total value in dollars.

Topic: Count \$1 Coins by Stacking in Tens

Ref: Maths | Year 1 | AC9M1N03_E3 | Number & Place Value

Name: _____ Date: _____

Stack, Skip Count and Find the Value
