Following Directions — Extra Enriched

EXTRA ENRICHED
MATERIAL
Partner work

Challenge:

Read each direction task. Explain your thinking and give clear directions in your own words.

Topic: Interpreting and Giving Directions Around Familiar Places

Ref: Maths | Year 1 | AC9M1SP02_E1 | Space

Name: _____ Date: _____

Give Clear Directions and Explain

1. Give directions from the door to your desk using two direction words. _____
2. Why is it important to say “left” or “right” clearly when directing someone? _____
3. “Keep going straight, then turn right.” Where might you end up? _____
4. Explain the difference between forwards and backwards to a friend. _____
5. Write directions from the classroom to the library. _____
6. Why can the same path have different directions coming back? _____
7. A friend faces you. If you say “turn right,” is it your right or theirs? _____
8. Make your own direction puzzle for a partner to follow. _____
