Pictographs — Extra Enriched

EXTRA ENRICHED
MATERIAL
Partner work

Challenge:

Create a pictograph with drawings, choose your categories, sort the objects into them, then reflect on whether the categories were helpful.

Topic: Creating a Pictograph and Choosing Categories

Ref: Maths | Year 1 | AC9M1ST02_E1 | Statistics

Name: _____ Date: _____

Build, Sort and Review Your Pictograph

1. Draw a pictograph and use one picture for each object. _____
2. Decide the categories for your pictograph before you start. _____
3. Sort your drawings into the categories you chose. _____
4. Count each category to find its total. _____
5. Compare two categories — which has more, which has fewer? _____
6. Explain why you chose those categories. _____
7. Reflect — were your categories helpful? What would you change? _____
8. Plan a pictograph to answer a class question. _____
