

Number Chart & Number Line

AC9M1N01 Read, show and put numbers up to 120 in order, using blocks, number cards, number lines and charts.

Learning Intention: We can use a hundred chart and a number line to read, show and order numbers to 120.

Hundred Chart to 120

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100
101	102	103	104	105	106	107	108	109	110
111	112	113	114	115	116	117	118	119	120

How to Use It

- Down a column adds 10.
- Across a row adds 1.
- Count by tens down the shaded column.
- Spot teen and ty numbers: 13 and 30.
- Point and count on the number line.

Number Line to 120

Count on and back in ones and tens.
