

Looking after pets and plants

Name: _____

Date: _____

WORKED EXAMPLE

A pet dog needs care. We give it food and fresh water, take it for a walk, and keep its bed clean and warm.

Q1

Circle the things a pet dog needs: food, water, a walk, a phone.

Q2

To care for a plant we give it water. Tick one: water
☐ lollies ☐

Q3

Draw yourself giving a pet some food.

Q4

Draw a line to match the job: water, feed, brush —
plant, fish, cat.

Q5

We give a plant _____ and sunlight so that it can grow.

Q6

Colour the jobs that keep a pet clean: wash it, feed it, brush it.

Q7

Write two jobs you do to look after a pet or a plant:
_____ and _____.

Q8 CHALLENGE

Sort these jobs into two groups. Giving food and water: _____. Keeping clean and safe: _____. (feed, wash, water, tidy the bed)
