

Food and Fibre

Name: _____

Date: _____

WORKED EXAMPLE

We care for plants and animals because they give us food and fibre. A sheep gives us wool for warm clothes and a hen gives us eggs to eat. If we look after them, they stay healthy and keep helping us.

Q1

Circle the things that come from a plant: bread, apple, cotton, a rock.

Q2

Wool comes from a sheep. Tick one: yes ☐ no ☐

Q3

Draw one food you like. Does it come from a plant or an animal?

Q4

Draw a line to match: sheep, hen, apple tree — wool, eggs, apples.

Q5

We care for animals so they stay _____ and keep giving us food.

Q6

Name one thing we get from a plant: _____.

Q7

Look at the food and fibre pictures on the lesson slide. Draw one and write if it comes from a plant or an animal.

Q8 CHALLENGE

Pick a plant or animal that gives us food or fibre. Draw it and write two ways we can care for it so it stays healthy.
