

Patterns in People's Jobs

Name: _____

Date: _____

WORKED EXAMPLE
We role-play or recount how people we know, or have observed, identify and use patterns to make predictions at work or in their daily lives.

Q1
Circle who uses patterns: a farmer, a pilot, a shopkeeper, nobody.

Q2
Tick one: Patterns help people predict what will happen [] or forget things [].

Q3
Fill the gap: A farmer uses _____ patterns to plan.

Q4
Match: farmer, pilot, shopkeeper -- busy times, weather, wind.

Q5
Draw a person at work using a pattern to predict something.

Q6
Ask someone how they use a pattern at work. Tell your class.

Q7 CHALLENGE
Write one job and one pattern that helps that person predict.
Job and pattern: _____
