WORKED EXAMPLE

We watch the weather and the seasons to help us plan what to do each day. If the sky is grey and cloudy, we take an umbrella in case it rains. On a hot summer day we wear a hat and play in the shade, and in cold winter we rug up in warm clothes.

Q1

Circle the things you might need on a rainy day: umbrella, raincoat, sunhat, gumboots.

Q2

On a hot sunny day we should wear a hat. Tick one: yes ☐ no ☐

Q3

Draw what you would wear on a cold winter day.

Draw a line to match: sunny day, rainy day, windy day — sunhat, umbrella, kite.

Q5

Before we go outside, we look at the _____ to help us plan what to wear.
