

Daily & Seasonal Changes

Name: _____

Date: _____

WORKED EXAMPLE

The world around us changes every day and through the seasons. In the morning the sky is light and we see the Sun; at night it is dark and we see the Moon and stars. In winter it is cold so we wear warm clothes, and in summer it is hot so we wear cool ones.

Q1

Circle the things we can see in the daytime sky:
Sun, Moon, stars, clouds.

Q2

The Sun gives us light and heat. Tick one: yes ☐
no ☐

Q3

Draw the sky in the morning, then draw the sky at night.

Q4

Draw a line to match: morning, night, rainy day —
sunrise, stars, umbrella.

Q5

In winter it is cold, so we wear _____ clothes
to keep warm.

Q6

Name one thing you like to do on a sunny day:
_____.

Q7

Look at the weather pictures on the lesson slide.
Draw one and write if you would see it more in
summer or in winter.

Q8 CHALLENGE

Pick your favourite season. Draw the weather and
write two things you would wear or do in it.
