

Safe Ways to Investigate

Name: _____

Date: _____

WORKED EXAMPLE

When we investigate a question, we suggest and follow safe steps. We stay sun safe, use safe equipment like plastic goggles and aprons, and follow instructions carefully.

Q1

Circle safe choices: wear goggles, run inside, follow steps, listen to the teacher.

Q2

Tick one: Goggles help keep our eyes [] or our feet [] safe.

Q3

Fill the gap: We follow the steps in the right _____.

Q4

Match: goggles, apron, hat -- clothes, eyes, sun.

Q5

Draw yourself doing a safe investigation. Label one safety item.

Q6

Help with a job at home safely. Tell your class the steps you followed.

Q7 CHALLENGE

Write one thing you would do to stay safe during an investigation.
To stay safe I will: _____
