

Questions About Animal Needs

Wondering about animals

Where does it shelter?

We ask where an animal stays safe.

Where is its water?

We ask where it finds water to drink.

What does it eat?

We ask what food it looks for.

Predict the answer

We use clues to guess before we look.

TEACHER TALK - ANIMAL QUESTIONS

Show an animal in its habitat. Ask questions like 'Where does it shelter? Where does it get water?' Have children predict, then look for clues.
